

Ridge Point Church

Member Led Initiatives Inquiry and Questionnaire

Definition of a Member Led Initiative

Thanks for your interest in Member Led Initiatives. Individuals like you are vital to reaching and restoring our community and helping to fulfill Ridge Point's mission to **follow Jesus and fearlessly make Him known.**

Member Led Initiatives are:

- Ministries started and led by you, fueled by your passion.
- Ministries with the purpose of **reaching** into our community and **restoring** God's intentions for our world.
- Ministries that engage the gifts and skills of other fearless followers to impact our community and culture.
- Ministries with Ridge Point's encouragement, support and coaching. Led by members, empowered by staff.

Goals of all Member Led Missional Initiatives

The goals of all Missional Initiatives at Ridge Point are to **reach into our community** and **restore** what is broken in our world through acts of service striving to impact areas of brokenness with self, God, others or creation. Each ministry will express these goals in different ways depending on their area of involvement, but the outcomes are always the same: more people following Jesus and fearlessly making Him known in their communities.

Member Led Initiatives (MLIs) will facilitate discipleship and influence culture by...

- **Reach:** Reaching people with the truth and love of Jesus through personal relationships.
- **Restore:** Restoring justice and mercy to their communities and culture through acts of service.

Successful Member Led Missional Initiatives are measured based on the tangible outcomes of...

- **Reach:** This is shown through stories of changed lives of both those serving, those served and baptisms
- **Restore:** Stories of how fearless followers are impacting cultural systems and individual lives.

We would love to hear your passion and ideas as you look on how you can reach and restore what is broken around us. Please fill out the following questions related to your ministry plan and email to dougc@ridgepoint.org. These will help establish thoughts and discussion when we meet together.

Who are you hoping to reach and what will you be doing?

How will this reach people with the truth and love of Jesus through personal relationships?

How will this engage Ridge Point Fearless Followers in impacting our culture through acts of service?

How do you plan to share your vision and encourage Fearless Followers to join you?

How many people do you hope to impact?
