Ministry Plan Guiding Questions:

1. What people group or social issue is your Member Led Initiative (MLI) targeting? What are the felt needs of the people to whom you want to minister? Research and explain.
2. Explain how your Member Led Initiative (MLI) will help reach those who are far from God and restore what is broken in our world.
3. Explain the vision of your proposed Member Led Initiative. Why are you doing this? What will the result of your member led ministry be? (Write: "The purpose of the _____ ministry is to" or "The __ministry exists to")
4. Summarize how you envision the ministry to function. What will your ministry do and how will it work?
5. Please share who you plan to invite to help you in this ministry along with why you have selected these individuals.
6. Are there existing ministries at Ridge Point or in our community that are already addressing this issue or

serving this people group? If so, how do you plan to partner with these organizations?

7. Why do you feel that God is leading you to start this ministry?
8. Share several ways you will be able to measure the outcomes and success of your ministry.
9. How do you plan to develop a team of people to work with you?
10. For your member led ministry's ongoing success, what resources will you need on a regular basis? (space to meet, finances, equipment, etc.) How do you plan to meet these resource needs?
11. What is your proposed budget? How do you plan to raise funds? (Ridge Point does not promote fund raising for member led initiatives. Member led initiatives are responsible for raising and managing their own financial support. See Development Guide for more information).
12. If you will be managing finances, what accountability structure will you put in place?
13. How do you plan to promote your ministry both inside and outside of Ridge Point? (Although we do not promote member led initiatives events from the stage on Sunday, we do make efforts to share success stories you submit as you impact our community and our world. See FAQ's for more information).
14. List the days and times the ministry will take place and along with how many volunteers you could use to help accomplish your ministry vision. What roles do you have for volunteers to fill?
