

BEING HONEST WITH EACH OTHER

LEARN is (re)discovering information.

It can be very difficult to be honest when being dishonest will make us - or something we've done - look more favorable in the eyes of another. In this conversation we'll discuss the idea telling the truth is an act of love toward God.

Read these passages and discuss them with each other:

Genesis 12:10-20

Genesis 27:1-41

Genesis 26:1-10

Proverbs 12:1-23

Pick a passage, or more than one, and answer these questions with each other:

1. What does this passage say? (Read it twice.)
2. What is God teaching me?
3. What will I do or change based on what I've read?

DO is acting on what we learned.

Honestly share with each other how you're doing Spiritually, Personally, Professionally and Physically.

COACH is reviewing what we did and evaluating how it was done.

How does this conversation impact your desire to be honest with others?

In each of our conversations, we'll discuss how we're doing Spiritually, Personally, Professionally and Physically. How do you feel about that?

What can we do to create an environment of honesty between us?
