

HEARING GOD

LEARN is (re)discovering information.

God is always speaking to us. It's usually not an audible, out-loud voice like when we speak to each other, but God speaks to us in many ways. He speaks through our conscience, through dreams, through others, through our situations and through His Word. Once we better understand how to hear God, we can respond to His promptings in our life.

Read these passages and discuss them with each other:

Job 33:12-18

John 10:1-16

Matthew 10:16-20

Psalms 46:7-11

1 Kings 19:9-18

Pick a passage, or more than one, and answer these questions with each other:

1. What does this passage say? (Read it twice.)
2. What is God teaching me?
3. What will I do or change based on what I've read?

DO is acting on what we learned.

Meet in a new, outdoor location (weather permitting). Go for a walk in nature (through the woods, on a quiet beach, etc.), and leave your phone in your car. Ask God to reveal Himself during this time and simply practice being quiet, externally and internally.

COACH is reviewing what we did and evaluating how it was done.

How did God reveal Himself to you?

What can you do in your everyday life to help you hear God in each moment?

How did acting on this topic of hearing God go for you?
